# Admission Requirements at FH Salzburg

In order to study at the Salzburg University of Applied Sciences you have to **fulfill the admission requirements for studying at an Austrian university of applied sciences**. For bachelor programmes, this requires an Austrian secondary school leaving certificate or any equivalent. For master programmes, this requires an Austrian bachelor certificate or any equivalent.

All required **documents (translated and legalised)** have been sent/presented in the original or as a legalised copy by the application deadline.

Furthermore you need to fulfill the **language requirements**. Salzburg University of Applied Sciences offers study programmes taught in German or English. Normally Level B2 is needed, but this could range from B1 to C1.

# Application Procedure

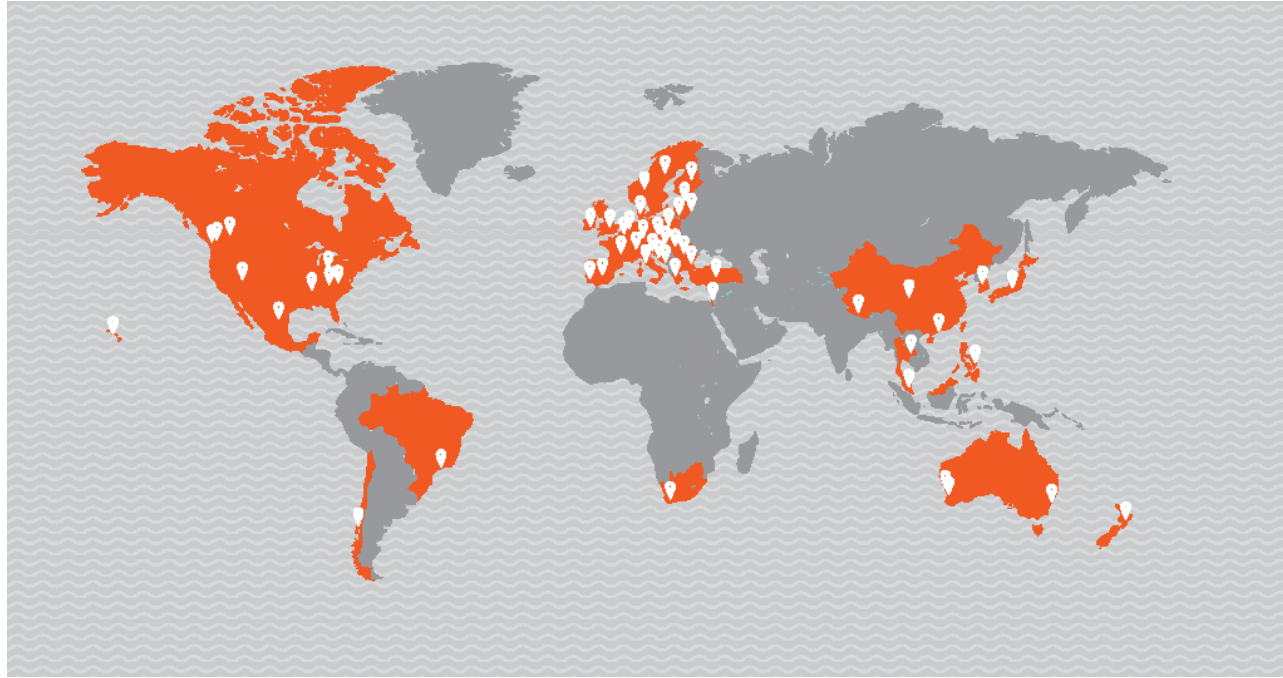

In general, each study programme only has a **limited number of study places**.

- First step is our **online application**. It opens on 01.11.2022, deadline depends on the study programme: <https://www.fh-salzburg.ac.at/en/study/online-application>
- **Next steps** also depends on the study programme. Admission procedure could include for example written tests, personal interviews, group assessments, portfolio presentations and further more.
- The **final decision** on the allocation of these places rests with the respective programme head and is based on the mentioned selection process for all candidates.
